OFFICE POLICIES

A PARENT OR LEGAL GUARDIAN MUST ACCOMPANY YOUR CHILD ON THIS FIRST VISIT.

RESPONSIBLE PARTY POLICY: Because a large percent of the population involves a divorce situation, it is our policy to collect from the parent who brings the child in for dental services.

OFFICE POLICIES: Unless appointments are canceled at least 24 hours in advance, our policy is to charge $75 for missed appointments. We do attempt to confirm appointments, but do so as a courtesy. The Parent/Guardian is responsible for any scheduled appointments for the child.

I acknowledge that I have read and agree to the above policies:

PLEASE READ & INITIAL

I hereby give the dentist permission to complete an oral exam, Radiographs (X-rays) and photographs for diagnostic purposes. I understand this visit will include a cleaning and fluoride treatment as well. _____

Payment is due in full for each appointment as services are rendered. If you have dental insurance, we collect your ESTIMATED portion. Dental insurance usually covers only part of the fees for services based on your specific dental benefit underwriting. We do our best to provide you with an estimate accordingly. _____

Please understand that the contract for dental insurance is between you and your insurance company and not our practice. Any disputes of coverage need to be handled through the insurance company directly by you and you accept personal financial responsibility for services provided. _____

As a courtesy to you, we will complete and file insurance forms relative to dental services and will do our best to collect all fees due from your insurance carrier. Be aware that some insurances (like Delta Dental) pay the patient directly; in that case we will collect all payment from you up front. _____

I realize that failure to keep this account current may result in the dentist being unable to provide additional dental services except for dental emergencies or where there is a prepayment for additional services. _____

Your signature here authorizes assignment of benefits to us so we can submit claims.

I, the undersigned, certify that I (or my dependent) have insurance coverage and assign directly to Ramona Pediatric Dentistry all insurance benefits, if any, otherwise payable to me for services rendered. I understand that I am financially responsible for all charges whether or not paid by insurance. I hereby authorize the doctor to release all information necessary to secure the payments of benefits. I authorize the use of this signature on all insurance submissions.

INSURANCE AND FINANCIAL POLICY

At Ramona Pediatric Dentistry, we believe that you deserve the best care. That's why we always present you with the best dental solution possible to treat your personal situation.

_____ Your dental benefits are based upon a contract made between your employer and an insurance company. If you have any questions regarding your dental benefits please contact your employer or insurance company directly. Dental benefit plans will never pay for completion of your dental care. It is only meant to assist you.

_____ We currently accept all private care insurance plans (plans that do not require you to select a dentist from a list or require our office to accept a reduced fee for service). This means that we work with literally thousands of companies. Although we can maintain computerized histories of payment by a given company, they do change; therefore it is impossible to give you a guaranteed quote at the time of service. We estimate your portion based on the most up-to-date information we have, but it is ONLY AN ESTIMATE.

_____ We accept cash, personal checks, debit card, Master Card, Visa, Discover Card, and American Express. If you are in need of an extended finance option, we also work with CareCredit, who offers 3, 6, or 12 month "same as cash" or longer terms with an interest bearing revolving charge designed to meet your treatment plan needs on approved credit. Our office staff would be happy to provide you with more detailed information on this plan if you are interested. Outstanding balances older than 90 days are subject to finance charges at the rate of 1.5% monthly. Returned checks are subject to a $25 administrative fee in addition to any outstanding amount. In the unfortunate event that your account needs to be forwarded to a collection agency you will be responsible for your outstanding balance, accrued interest, and any collection agency charges that may be imposed.

_____ Your insurance is a contract between you, your employer, and the insurance company. We are not a party to that contract. We cannot render services on the assumption the charges will be paid for by an insurance company. All charges on all accounts for which you serve as the guarantor are your responsibility from the date the services are rendered. Not all services are covered benefits in all contracts. Some insurance companies arbitrarily select certain services they will not cover.

_____ You may direct the insurance company to pay their share of the cost directly to our office (Assignment of Benefits). Often, we do not receive these payments until two to three months after being submitted for payment therefore you will be required to pay your estimated share at the time treatment is rendered. Upon receipt of the insurance payment we will reconcile your account and bill or refund any difference. In the event that your insurance company does not pay within 90 days of rendering treatment, please understand that the guarantor of your account is not responsible for this outstanding balance.

I agree with the above conditions.
